REPORT OF THE FIRE ENGINEERS

During the year 1970, this Department was called ten times. Of these, seven were local calls and three were Mutual Aid calls. The break down of these calls is as follows: Brush fires at the Dam site West Wilton on May 31 and June 15. Calls to the Town Dump on June 21 and July 26. Car fire on October 9. Chimney fires on October 20 and October 29.

Mutual Aid calls were to New Ipswich on January 10 and to Wilton on January 18 and June 15.

This Department acquired for use a 1942 International fire truck from the New Hampshire State Forrest Fire Service. The old Chevy pumper was repaired and put back into service.

Fire training schools attended by members of this Department are as follows: At Monadnock Community College courses on Forcible Entry, Ventilation and Portable Extinguishers, were taken by Chief James Naglie, Leslie Drew and Benton Blood. Command and Tactics School for Chiefs and Officers at Laconia Vocational-Technical College, were attended by Chief James Naglie on May 23 and May 24. Barton American Pumps at Lakes Region Fire Training School on June 7, were attended by Chief James Naglie, Ernest Harling and Thomas Willard. Breathing Apparatus at Meadowood Fire Training School, attended by Chief James Naglie.

The Department purchased two Scott Air Packs and two spare air tanks for the same. These are now located on the No. 1 Tank Truck.

Dr. and Mrs. John Bird Lloyd donated \$100.00 to the Temple Firemen's Fund this year. This fund is used to purchase safety equipment for the men.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The fire season of 1970 was not a quiet one in this area, on the contrary, it was a very busy time with some towns reporting a greater number of fires than in past years. This record is not good.

Both state and towns are striving to meet this challenge. Results show that we are not doing enough, we must do more in the matter of fire prevention education, a more active inspection program and a more prompt, complete investigation of fires where definite cause is not known with court action where the need is indicated.

We must insist that minor children are given needed supervision, this is a parent's responsibility.

Your Warden and District Chief stand ready to help in this work.

Our gratitude to all who have helped in forest fire prevention and suppression this past year and we look forward to this continued help in our effort to improve our good prompt detection system and fast suppression action. This, coupled with a good prevention program, will improve our fire record.

Follow these simple suggestions to help:

Set a good example for others by observing fire permit laws and regulations; take your debris and waste to the town dump; keep matches away from children and be sure your smoking material is dead out when discarded.

Number of fires reported and acres burned — 1970 season:

STATE — 484 fires — 244 acres.

DISTRICT — 84 fires — 43 acres.

TOWN — 0 fires — 0 acres.

WINTHROP H. HANNAFORD

District Fire Chief

MERVIN E. WILLARD

Forest Fire Warden

REPORT OF THE TEMPLE POLICE DEPARTMENT FOR 1970

This year has been a very busy one. In addition to our routine patrolling and periodic checking of summer residences and any unoccupied properties, we have had several investigations involving drugs, one of molesting minor children, seven burglaries, fifteen motor vehicle accidents, one case of arson involving a motor vehicle, sixteen disturbance calls, recovered a stolen vehicle, answered three burglar alarm calls — all false, two cases of prowlers, attended police school at Monadnock Community College — Peterboro, and several area meetings on communications, riots, bombs and bomb scares.

There have been several cases involving our young people and drugs. We have made every possible effort to help these young folks, rather than prosecute. Parental cooperation having been excellent, we were able to accomplish much in curbing the development of a most serious situation.

We have had several complaints of snow traveling vehicles being operated on the highway. We suggest that the owners of these vehicles make themselves familiar with the law regulating these vehicles — R S A 269 — B, especially section 269 — B:13.

As a result of police problems which have developed throughout the nation, legislation has been enacted and funded to make it possible for police departments to have equipment available to better cope with some of these problems. We are making every effort to keep abreast of all developments in this area so as to be in a position to take advantage of whatever may benefit our community.

Our thanks, once again, to Dr. and Mrs. John Bird Lloyd for their thoughtfulness and generosity. In accordance with their wishes their gift has been added to our policemen's benefit fund.

We would once again call your attention to our communications set up. The Nelson Answering Service in Wilton still serves as our communications center — the phone numbers there are 878-1611 and 654-4242. By calling one of these numbers for any emergency, you will get the fastest service. Should you wish to contact the Temple Police Department direct — call — Russell Tyler, Chief, — 878-2709, Wilson Allen — 878-1168, Albert Quinn — 942-6900, Ted Leighton — 878-1536, Stephen Roy — 878-1498.

RUSSELL TYLER, Jr.
Chief

REPORT OF THE PLANNING BOARD

The primary effort of the Board in the past year has been to prepare a zoning ordinance for your consideration. The Warrant article on this must be voted by ballot.

In the spring of 1970 three members of the Board participated in a nine-session course in "Planning for Rural Communities" which was offered at Monadnock Community College through the cooperation of the Monadnock Region Association.

The \$250.00 that was raised and appropriated last year for placing sand at a potential beach area at the Soil Conservation Floodwater Retarding Site No. 25B on Miller Brook was not expended. Discussions with the New Hampshire Water Resources Board indicate that when the construction is finished at this site, there will be an area of sand along the north shore line (at no cost to the Town).

The construction work is not yet finished at Site No. 25B, therefore it is recommended that action regarding acquisition of any surplus land at this site by purchase or lease be postponed until next year.

Open burning at dumps in small towns is prohibited starting in 1975. In view of this a visit was made to the new open pit incinerator at Conway, N.H., and an article is in the Warrant regarding the appointment of a committee to investigate possible solutions to the solid waste disposal problem in Temple.

MANSFIELD PUBLIC LIBRARY

Circulation of books for the year was as follows: adult non-fiction, 647; juvenile non-fiction, 337; adult fiction, 735; juvenile fiction, 1,545; adult magazines, 187; juvenile magazines, 96; and records, 101. Total circulation for the year was 3,648.

Our collection was enriched by gifts from Frederick Karl, Barbara Harling, Mary Walker, Ruth DeQuoy, Kathleen Stratton, Julia Hyde, Ann Sargent, Abbie Kendall, Dr. Malcolm Johnston, Arlene Phillips, Alice Donald, Alberta Hagar, Mrs. Dana Drury, Mr. & Mrs. Charles McWilliams and Audrey MacDonald. We added 230 books during the year, 106 were gifts and 124 were purchased.

All of the fiction titles have been cataloged, and the non-fiction is partially done. Any volunteer help typing cards would be greatly appreciated.

National Library Week was observed by holding an Open House at the library. The trustees awarded cash prizes to the winners of the school contest at this time. A successful food, white elephant and book sale provided the money for the prizes.

During the summer vacation Mrs. Rudolph conducted a successful story hour for the 5 and 6 year olds. Some of the school children joined our fun summer reading program, swimming through our "Pool" at the library. Those reading 6 or more books during the summer later met at Weston's pool for a real swim.

Our library is a member of the N.H. Development Program and offers the new statewide library card to any of our borrowers in good standing. As a member, we also receive a \$100 grant for the purchase of reference books.

Library hours are Mon. 7-9, Wed. 2-5, and Sat. 2-5. The book drop may be used at all times for the return of books.

Respectfully submitted,
Priscilla A. Weston,
Librarian
